Grover because he illegally gave a certificate to a person who did not receive a majority of the votes. The chief Democratic hero at this time—the only Democrat who receives a party ovation wherever he goes, is the Governor who tried to cheat the majority of the voters of Oregon out of an Elector, in order to elect Tilden by the fraud.

Realizing the shame and the impotence of their demonstrations, they now propose a mass gathering at Washington, to supervise the conning of the vote. We suspect that the more they demonstrate the more they will cause sober-minded men in their own party to devise a settlement by acquiescence in the election of Hayes, and that their open declaration of an intent to overthrow the legal elector, in intent to overthrow the legal elector.
